- ▶ [Line 6](#): Chayuan - Yuelai/Beibei
- ▶ [Line 10](#): Liyuchi - Wangjiazhuang

3. [Travel Tips](#)

Local Currency & Credit Cards

The RMB (CNY) is the official currency. The basic unit of RMB is the yuan (¥). Chongqing Branch of Bank of China offers currency exchange service, remember your passport is needed to be presented when converting currency in the bank. Most hotels, restaurants and large shops take Visa and MasterCard, and Visa & MasterCard debit cards can withdraw RMB on automatic teller machines in commercial banks.

Electricity

The voltage is 220-240V/50Hz. Most of hotels in China have both 110V and 220V electrical outlets in the bathrooms, though in guest rooms usually only 220V sockets are available. As the shape of a socket varies between countries, a portable plug adaptor may also be necessary. The socket on the right will be found in most of hotels in Chongqing, but some hotels also provide universal sockets.

Weather

Chongqing has a [monsoon](#)-influenced [humid subtropical climate](#), and for most of the year experiences very humid conditions. Its summers are long and among the hottest and most humid in China, with highs of 33 to 34 °C (91 to 93 °F) in July and August in the urban area. Winters are short and somewhat mild, but damp and overcast. October average high °C (°F) is 21.7 (71.1).

4. Travel in Chongqing

Chongqing, formerly romanized as Chungking, is a major city in [southwest China](#). Administratively, it is one of China's four [direct-controlled municipalities](#) and the only such municipality in China located far away from the coast. Chongqing has a significant history and culture and serves as the economic center of the upstream Yangtze basin. Built on mountains and partially surrounded by the Yangtze and Jialing rivers, it is known as a "mountain city" and a "city on rivers". Beibei is a satellite town in the north of central Chongqing. Beibei got its name because of the huge rock that extends to the middle of Jialing River, and is known for its historical culture, beautiful sceneries, and clean streets.

Attractions

Chongqing attracts visitors from home and abroad for its cultural heritage and tourist attractions. Its landform is uneven and the buildings there distribute in an intriguing way. In the city, there are many karst caves, hot springs and gorges. Picturesque landscapes are so enchanting as to make tourists forget to return.

Top Attractions

[Ci Qi Kou](#)

14 kilometers to the west of Chongqing Municipality lies the ancient village of Ci Qi Kou (Porcelain Village) situated on the bank of the Jialing River. It was recognized as a protected cultural site by the State Council in 1998. There are many shops lining the twelve flag stoned paved lanes that form the main routes. Tourists will find many outlets for craftwork, groceries, teashops and the like as well as a horologist, photography supplies, drugstore and a tempting supply of roasted nuts and seeds. This city attracts visitors from home and abroad.

[Dazu Rock Carvings](#)

Carved during the ninth century, the rock carvings are un-missable works of art of the Gold Buddhist Mountain, itself reputed as a rich repository of diverse animal and plant species. Work on the Dazu Rock Carvings began in the first year of Yonghui in the Tang Dynasty (650A.D.), and continued until the Ming and Qing dynasties. Now, it is as popular as the Yungang and Longmen Grottoes.

[Yangtze River Cruise](#)

Yangtze River Cruise will be the highlight of your Chongqing tour. Upon arrival at the Chaotianmen Port, you can see many ships on the river. Some of them are used for cargo transportation; some are intended for the river cruise passengers. The cruise ships provide three to eight days' voyage. During the trip, you can see the famous Three Gorges, Fengdu Ghost City, and Shennong Stream and so on.

[Black Mountain Valley](#)

Black Mountain Valley is located in Black Mountain Town (Heishan Town) of Chongqing. With high mountains, deep valleys, steep cliffs, grand waterfalls, winding plank roads and floating bridges, as well as various animals and plants, it is a good place for rafting, mountain climbing, camping, hunting and hiking.

[Chaotianmen Dock](#)

Chaotianmen Dock is an important port and must-see attraction in Chongqing, is located at the junction point of Jialing River and the Yangtze River.

[Northern Hot Springs Park](#)

Northern Hot Springs Park is situated at the foot of Jinyun Mountain, fifty kilometers northeast of the city. Here, you can enjoy a beautiful scenic area comprising temples, hills, water, woods, springs, gorges, caves and much else besides.

[Wulong Karst](#)

Wulong Karst is located on the lower reaches of the Wujiang River, is a cluster of several karst landscapes, including natural bridges, gorges, caves, eroded dolines, shafts and underground streams. It mainly consists of Lotus Cave, Three Natural Bridges, and Houping Giant Doline.

[Wansheng Stone Forest](#)

Wansheng Stone Forest is the oldest stone forest in China shaped 465 million to 600 million years ago . It is also famous for underground Karst caves, various fossils, and distinctive customs of local Miao people.

[Hongya Cave](#)

Hongya Cave is an 11-storey stilt house leaning against a sharp cliff with a height of 75 meters (245 feet) at the bank of Jialing River, is a popular destination for visitors to feel ancient Bayu culture, overlook the river view, and taste delicious food.

[Jiefangbei CBD](#)

Jiefangbei CBD is the busiest business district of West China, where visitors could go shopping, taste delicious foods and enjoy downtown views.
