

## NAS 2024 Registration

### Registration Options:

#### 1. ChinaStorage Conference Registration System

You can register through the official website of [ChinaStorage 2024 Conference](https://ccf.org.cn/chinastorage) (<https://ccf.org.cn/chinastorage>). The website may primarily be in Chinese, and you need to select [the registration menu](#) for English users before create a CCF account for the registration. **Please select the correct fee type for your registration, refunds require a deduction of at least 30% as the handling fee.**

Fee Type	Early Registration Fees	Late Registration/On-Site Registration Fees
IEEE Member Fee	4800 RMB	5200 RMB
Non-IEEE Member Fee	6000 RMB	6600 RMB
Student IEEE Member Fee	3200 RMB	3600 RMB
Student Non-IEEE Member Fee	4200 RMB	4600 RMB
IEEE Life/Retired Member Fee	2500 RMB	3000 RMB

#### 2. Bank Transfer

Alternatively, you can register by transferring the registration fee directly to the conference's designated bank account. Detailed bank transfer information is as follows:

Bank Name	China Merchants Bank
Bank Address	China Merchants Bank, Head Office, Shenzhen, P.R.China
Account Name	China Computer Federation
Account Number	110943026510701
SWIFT/BIC Code	CMBCCNBSXXX
Address	China Merchants Bank Tower NO.7088, Shennan Boulevard, Shenzhen, China
Payment Reference	NAS 2024+Your Name/PaperID

Note: Please add 10s USD to the Invoice amount to be paid to cover Wire Fees, and include "NAS2024 + Your Name/PaperID " in the transfer description as Payment Reference. After the transfer, please send the transfer receipt and paper registration information (including the paper ID, title, and/or IEEE member ID) to [ChinaStorage@126.com](mailto:ChinaStorage@126.com) with subject "Registration for paper ID/IEEE member ID".

#### 3. On-Site Registration

If the international attendees are unable to register through the above two options, we can provide on-site card swiping and cash registration support at a discounted price as the early bird tickets.

**Additional Information:** For comprehensive details about the conference, including the program schedule, keynote speakers, and accommodation options, please visit the official NAS 2024 website. If you require assistance with registration or have further questions, feel free to reach out to the conference organizers via the contact information provided on the NAS 2024 website. We look forward to your participation in NAS 2024 and the Chinese Storage Conference 2024.
